The committee is once again asking club members and non-club members if they can donate anything for the raffles and to help serve the food or help in anyway it would be greatly appreciated. This year we are also having a youth helmet fitting and give a way in partnership with JC Power Sports in Crivitz. We were able to secure a grant from the Northeast Wisconsin Regional Trauma Advisory Council. The club is also putting some money towards it. We will have a limited number of helmets. Parents and Kids will begin to register at 11:00 with fittings to begin at 12:00.

Ok that's it once again for this month and as they say time fly's when you're having fun and Spring is sprung at least last week when the temps where in the 70's. And believe me I was enjoying it. I even managed to get the car washed !!! The summer stuff is all out in my gazebo and it's time for summer fun to start. Love sitting out in that gazebo with my nose in a book or knitting something. My favorite is knitting Afghans and talking to my two pet chickens, yup I got pet chickens, Penny and Henny. And in a month or two it will be time to plant flowers. Don't forget about the summer fun coming up with the annual open house in June and that ATV-UTV ride in July. And last of all I want to thank those guys who helped Justin the Groomer Boss and Dennis the trail Boss get those tracks off of the tractor and get the tires back on for summer trail maintenance. I was there watching and believe that's a job!!! The club also provided lunch for the guys, sub sandwiches, chips, and cookies. MM GOOD!!!
