Memberships 2020-2021

Thank you once again to those who have gotten their memberships in to us. Just a reminder to those who have not sent theirs in to do it as soon as you are able. All memberships should be in by the October meeting.

Member Attendance Drawing

At Saturday's meeting 4 numbers were drawn. # 3 Robyn Servis, # 11 Vice President Kelly Barnes, # 13 Sandy DuChateau, and final number 2 Justin Hirschmann who won \$13.00 but turned it back to the club. Kelly and I do not participate in the drawing as we are officers.

Map report

Club rep Vice President Kelly Barnes attended the first map meeting on July 29th. This year's map will be very similar and will be blue in color. The next meeting will be held on August 18th, the final proof of the map will be gone over at the September 23rd meeting. The maps should be completed for the October 12th meeting to then be distributed to area businesses.

Groomer equipment report

Groomer Boss Justin Hirschmann reported that all equipment is in good working order. The Insurance on the clubs gravel truck will be canceled for this year as of September 30th as it usually is not in use for the remainder of the year

Trail Report

Part of the trail will be temporarily closed due to logging on the loop by Phillips Lake. The trail that goes North on Benson Lake Road from Firelane Road than goes to the

West on Phillips Lake Road. The re-route will be from Benson Lake Road to Old A.

AWSC Report

Club Rep Andy Maleki reported that all events for the AWSC have been canceled for this year due to the Covid-19 pandemic. All officers and board will retain their positions and Miss Snowflake will remain with her rein until 2021.

1st Club Event of the New Fiscal Year

It was a beautiful day, temps in the high 70's low 80's and lots of sunshine. The Fire Department allowed us to use one of their huge tents and a few tables. Club members once again came thru with wonderful items for the bucket raffles. There was a 50/50 raffle and the club received \$118.00 dollars. All the apparel that was on hand was sold except for a couple of items and a few hats. All the brats and hamburgers purchased from Perkins were sold with a lot of people attending we had to purchase some additional burgers, buns and cheese from the Northwood's. Guess everyone liked those cheese burgers either single or double. Also a 120 cobs of corn was sold out too. Thankyou to everyone who helped to make this event profitable for the club and a special Thank you to Sally and JC owners of the Northwood's, business club members were the event was held.

Well that's it from me for this month I truly hope everyone is safe and healthy as we live thru this covid-19 pandemic. Have seen some really interesting masks. As for me I have to admit people who wear a mask it's difficult for me with my hearing disability. So if I happen to run into you just holler as loud as you can you're not hurting my feelings when it may sound to someone else that you may be balling the heck out of me LOL. Don't forget to get your membership dues in to the club before the October meeting only two months away or I have to take you off of my newsletter list of members that I send out the letter to each month, and my how time fly's when we are having fun. And don't forget to mark your calendars for the 28th annual Brat Fry coming up October 10th @ The Firelane. And if memory serves me right last year it was cold and windy with snow flurries. But never fear I will remind you again next month!! And now as my grandfather always said. "If the good Lord is willing and the creek don't rise". I will be back next month with more news and a little nonsense too.

AND

Our bravest and best lessons are not learned through success, but through misadventure.

Did You Know?

There is a new sewing machine for politicians. It has two settings: one for hemming And one for hawing.
