Meetings: August 8, 2020 @ 9:00 AM September 12, 2020 @ 9:00 AM
August 1st The ATV Trail Fund Raiser from 11:00 – 4:00 @
Sally & JC's Northwood's Bar corner of Northway Drive & Benson Lake Rd

Memberships 2020-2021

I want to thank everyone who has gotten their membership in for the new fiscal year. I know there are more people to get their memberships in to us and I am reminding those to do that as soon as you are able. Nice to get the membership roster up to date.

Member Attendance Drawing

At this past Saturdays meeting six numbers were drawn before we had a winner. And that winner was John Poll and he took a check home for \$31.00. That was the number of people who had attended the June meeting. So you could be the lucky winner of a few bucks

when you attend the meeting each month.

Memorial and donation

Club member Andy Maleki told us that the Bear Point Sno-Crusers will be getting a large Boulder and a bronze placard will be placed on it and then displayed at The Bear Point Yacht Club in memory of Hilbert (Slug Radtke) The Near North Trail Riders Club will be donating \$100.00 toward the purchase of the memorial placard.

Map report

Vice President and club rep for the Marinette Alliance reported that the first meeting for the new 2020-2021 trail map will be held by the end of the month.

Groomer equipment report

Groomer Boss Justin Hirschmann reported that all equipment is in good working order.

Park & Ride

This past week the expansion for the Park & Ride was worked on and is now completed. The Park & Ride was doubled in size. The project was completed with equipment furnished

by Advanced Construction owned by club member Glenn Joski. The gravel was hauled in by Olsen Camp 5 Sand & Gravel. 54 loads of pit run was hauled in. It has been graded out and Erick Olsen will be coming this week to compact it. A fire number will be now placed at the Park & Ride and has been approved by the town board.

Trail Report

Due to the heavy rains of the past two weeks a portion of the trail was a complete wash out and it has now been repaired. A bull dozer from Advance Construction was used. Some very large rocks were removed and the hill was regraded. Olsen Camp 5 Sand & Gravel hauled 7 loads of gravel to fill in the wash-out and to firm up the hill so hopefully the trail will not wash out in the future.

1st Club Event of the New Fiscal Year.

The first event coming up is The ATV Trail Fund Raiser. It will be held on Saturday August 1st from 11:00 until 4:00. At Sally & JC's Northwood's Bar on the corner of Northway Drive and Benson Lake Rd. All the money from this event is used to maintain the trails. The club will be selling brats and hamburgers. There will also be a corn roast. Bucket raffles, and a 50-50 raffle will also be taking place through-out the day. Once again the committee is asking of club members to volunteer their help for the day. Also if members would once again donate buckets, or baskets for the raffles. At past events held by the club there has been a tremendous response from club members with their help with items for the raffles. If you can help in any way you may call Jill Hirschmann @ 920-366-8067 or Justin Hirschmann @ 920-737-1876. Everyone is welcome to come for a day of fun with The Near North Trail Riders.

That's it for this month I do hope you are all enjoying this hot humid weather we have been having and a place out of the sun in a shady spot enjoying a cool drink or two. Just think wouldn't it be nice if we could can some of this heat and let it out when it gets below the freezing point next winter and trust me it will come this winter and with all the rain does that mean we will have snow up to the window sills!! More importantly I do hope everyone is safe and healthy while we are living through these trying times with the Covid-9 pandemic. Hopefully it will all soon come to an end. Stay healthy and I will be back in August with your next newsletter.

Something to think about

If at first you don't succeed. Try, try again. Then quit, there's no point in being a fool about it.

And now something to make you really laugh

A motorcycle cop sees a women speeding down the highway and knitting at the same time.

He grabs his bull horn and yells "Pull Over"

No officer! "The woman shouts back, "It's a pair of mittens!"
