Memberships

I would like to thank everyone who has now have renewed their Memberships for the new fiscal year July 1st 2023 until June 30th of 2024. This makes it so easy to keep the clubs memberships up to date and also for the AWSC as well. And just a reminder the new Trail Passes go on sale July 1st.

Member Attendance Drawing

4 numbers were drawn at the meeting before a winner was picked. The # 9 Andy Malecki, # 5 Dennis Hermes, # 10 Me and I do not participate in the drawing as I am an officer if the club. So finally the # 4 was picked and that was the clubs trail boss Gary Smith who declined the \$10.00 in the pot. Thanks Gary.

Trail Report

Trail Smith Gary Smith reported that the trails are being graded as needed. But with the lack of a good all day soaking rain the trails are very dusty.

Groomer Shed Report

Groomer Boss Justin Hirschmann reported no problems with the clubs equipment nor any problems with the clubs shed.

Meat Raffle

As you may have remembered the club is holding a Meat & More raffle this afternoon at the FireLane Bar on county C from 1:00 until 4:00 or until all the items up for bid are sold and I am sure a 50-50 raffle was also held. I will have a report in your August newsletter on that event. And please remember all profits from the club events goes to maintain the clubs equipment that is used to grade trails in the summer months and grooming that is done on the trails in the winter months.

Corn Roast

The annual corn roast is coming up on August 5th at the Northwood's Bar. The club will also be selling brats and hamburgers along with the roasted corn. If anyone is available to help out with this club event You can contact Justin Hirschmann @ (920) 737-1876 or Jill Hirschmann at (920) 366-8067. Jill is also asking if any club member would like to donate an item or basket for the bucket raffles that would be greatly appreciated. And the club will also be selling club apparel and hats.

Well another month has come and gone. We are in the middle of Summer says the calendar with some hot days and some comfortable days and sometime a cooler day and always a rainy day here and there. I do hope all of you are enjoying your summer vacations as well. So until I return with more news about the Near North Trail Riders of Athelstane have a terrific month.

Summer

What does it mean to be summer? In this season trees are growing, Flowers are blooming and the world becomes more colorful. So the sun is shining, weather is sweet. Don't it kind of make you want to move your dancing feet?
