By filling out your membership form and sending it back to the club as soon as you can the information can be sent to the AWSC. **The officers and board are asking the clubs business members to return their membership form and dues by August 1st that way club events can be planned for the year.**

Member Attendance Drawing

Three numbers were drawn this month before we had a winner. The winner received a check in the amount of \$28.00.

Alliance and map meetings

Club rep reported that the alliance meetings are on summer break. Map meetings are being scheduled and will be attending the first meeting the end of July.

Equipment, Shed and Trail Report

Groomer Boss Justin Hirschmann reported that all the equipment is OK. Trails are open. There is a section along Benson Lake Road that is closed. Riders are asked to stay on the pavement. A phone line and power line are to be re-buried.

Open House

The open House was held on June 1st at the club shed on Eagle River Road. A lot of people attended. I would like to thank everyone who helped that day. To the guys who cooked the brats and hamburgers to the people who served the food. Also to the ladies who took care of the tickets and money for the many raffles and also to the ladies who collected the money for the food. And especially to Jill Hirschmann and Justin Hirschmann who put the open house together for another successful event for the club.

Club apparel

In your future newsletter there will be an order form if you wish to order either a sweatshirt, T-shirt, hats or other clothing with the clubs new logo on them. The Haystack in Crivitz has designed the new club logo commemorating the clubs 50th anniversary this year.

First Club Event of the new fiscal year

The Annual ATV trail fundraiser will be held on August 3rd from 11:00 until 4:00 at Sally & JC's Northwood's Bar on the corner of Northway Drive and Benson Lake Road. The club will be selling brats, hamburgers and there will also be a corn roast. There will be bucket raffles as well as a 50-50 raffle. Everyone is welcome, come join us for a day of fun.

And that is it for this month and a reminder that this is your last newsletter for this fiscal year. The new fiscal year will begin the first of July. Remember there is no meeting in July due to the Athelstane Firemen's Parade and picnic. The next meeting is scheduled for August 10th. Don't forget about the annual ATV trail fundraiser on August 3rd at the Northwood's Bar. Also don't forget to get your membership form back to the club as soon as you can. Makes it a lot easier for Treasurer Tina Barns to get your information to the AWSC. Don't forget to mark your calendar for those other two ATV-UTV rides in June & July.

That's all from me too this month. Sunny warm days are arriving and rain showers for my many flowers. And what do you think of the clubs new logo at the top of your newsletters? Pretty neat don't you think? I do!!! And that new logo can be put on the clubs apparel now. Also with your new membership I will be sending you a commemorative decal in your newsletter. So now from me and the other officers and the board members we are wishing for all our landowners their families all of the snowmobile ATV & UTV members and their families a safe and fun filled summer. Watch out for those darn orange barrels again they spring up along the roads and highways like flowers each summer or should I say weeds!!!

Something to think about

Remember almost everything will work again if you unplug it for a few minutes....including you so take a day to relax and unwind.
