Well that's all I have for you this month. Hope everyone is enjoying the summer Weather. But not today!!! It's a balmy 54 degrees cloudy and windy. But I am sure summer will once again return. We have months to go before the first snow flake. A reminder to support the Athelstane Fire Department by attending the annual summer picnic on July 8th. Our next meeting takes place on the 3rd Saturday in July due to the Picnic held on the 2nd Saturday. So have a terrific month whatever the weather.

A summer thought

Rest is not idleness, and to lie sometimes on the grass on a summer day Listening to the murmur of water or watching the clouds float across the Sky, is hardly a waste of time.
