## Oh Oh I Forgot

In your April newsletter I completely forgot to also include the Trail Boss who was also at the club shed after the April meeting to help get those trax off of the tractor for trail grooming for the summer months. Also I did mention that the clubs Groomer Boss after 18 years has retired. At the April meeting our club President appointed a club member to the position of Groom Boss to fill out the remaining year of the term. Sorry guys I must have had that some timers stuff!!!

## 1<sup>st</sup> Annual Open House

The club will be holding its first annual open house at the club shed on Saturday June 2<sup>nd</sup> from 10:00 until 5:00. All the clubs trail equipment will be on display for all to see. Pembine Sport & Lawn will also be there with new ATV and Side-by-Side Demo's. The club will be offering a plate lunch for \$5.00 which will include your choice of either a hamburger or a brat. A spoon full of beans and chips. And a choice of dessert. The committee is asking club members for any donations for the raffles. Also a baked item for the dessert. The Committee decided that cookies, brownies or some other type of bar or cupcakes would be perfect as a dessert. Soda or water will also be offered for \$1.00. Volunteers will also be needed to help out to make this a successful club event. If you are able to help out or donate anything please call Justin Hirschmann @ 920-737-1876.

An ATV Ride is planned for June 9<sup>th</sup> following the monthly meeting. The ride will go to Jungle Jim's for lunch and then on to Dunbar. The ride will make the loop and back to the Northwood's. Anyone is welcome to go on the ride. Please meet on the trail across from the Northwood's Bar @ 10:30 with plans to leave by 11:00.

## **AWSC Report**

AWSC treasurer and club member reported that the death and dismemberment insurance that everyone had through the ASWC has been canceled. It was not the AWSC that canceled it but the insurance company because of too many claims also reported that trail passes are now going to start being sent out by the DNR to active club members in July.

## **Northway Drive**

The town of Athelstane is opening Northway Drive to ATV's and UTV's. The town will be putting up the signs. **Northway Drive will not be legal to ride on until the signing is done.**

That's it for this month. Spring as finally sprung. I did have my doubts some days. I figured we were going to go from winter back to winter and forget about summer and fall with all the snow in April. But Mother Nature has been coming through with some beautiful sunny days. And I am now the proud Mother Hen of 17 baby chickens. Those little girls will be growing up fast and should be laying eggs by October. They all are living in the prettiest red chicken coup that you will ever see. And did you know that in Wisconsin livestock legally has the right of way when crossing a road.

Gee I wonder if that goes for chickens too.

Don't forget about the Open House on Saturday June 2<sup>nd</sup>. The committee is hoping to make this an annual club event. I will be back next month with more stuff about the Near North Trail Riders of Athelstane. Until then I wish for you warm and sunny days.
