Next Meetings – October 14th November 11th
Annual Brat Fry & Chili October 14th Firelane Bar & Grill

Memberships

Thank you to everyone who has renewed their memberships for the fiscal years 2023 & 2024. Makes it so easy to keep our roster sheet up to date. And just a reminder of those who have not renewed your memberships you have to have it into the club by the October meeting or you will no longer be a current member.

Member Attendance Drawing

Only two numbers at Saturdays meeting. Number 10 was Joe Collins he was not in attendance for Saturdays meeting. But our lucky winner for this months meeting was Director Jill Hirschmann with number 2. She would have received a check in the amount of \$20.00 the number of people who had attended the August meeting, but she declined, thank you Jill. Guess she did not have any Serious shopping to do. LOL!!!

Trail, Equipment and Shed Report

Trails are still graded each week as needed. Have not received a lot of rain

recently so they are a bit dusty. But as I am writing this letter it is raining pretty good so that will help to keep the dust down. As for the tractor that I reported last month that maintenance work has been completed so it is up and running once again.

Map Meetings

Club rep Vice President Kelly Barnes reported that the map has been proof read. And is now at the printer with distribution in early November. Kelly also reported that the fall tour of Marinette County will be starting on September 22nd. The Fall color trail signs will be marked along the North and West on the clubs trails.

Brat Fry

The annual Brat Fry is coming up on the 14th of October at the Firelane Bar on County Rd C from 11:00 until 4:00. The club will be selling brats, hamburgers and chili. And maybe a chocolate chip cookie or two. There will be a Meat Raffle as well as Bucket Raffles and a 50-50 Raffle here and there. If anyone would like to donate something for the Bucket Raffles as well as being able to help out. Please contact Jill Hirschmann @ 920-366-8067 or you my text her too. All I can say to that club members have really come through with items for the bucket raffles and that is so greatly appreciated as well as members who have been able to help out preparing the food. The club will also be selling club apparel for this event.

Wow another month has come and gone again. I sure don't know where Summer went to seems just like I was writing the letter last spring. As I said the fall color tour is coming up on September 22nd and that's not that far in the future. The trees have been starting to show off their fall colors already and the nights have become down right cool but that is how the seasons go. And as my Mom used to always say time fly's when you get older. Oh I don't want to hear that!!! LOL. So that's about it for this month And I will be back with your October newsletter to tell you of more stuff about The Near North Trail Riders and the clubs Brat Fry.

FALL

When September comes kicking summer out as it always does and fall comes. It stays awhile like an old friend that you have missed.
